

Our Mission

The mission of the 4-H Mentoring: Youth and Families with Promise program is to increase the developmental assets of youth, ages 10-14, and their families.

This mission is accomplished by utilizing culturally appropriate, early-intervention strategies such as one-to-one mentoring, involvement in 4-H clubs, and family activities. 4-H Mentoring: Youth and Families with Promise is designed to increase youth's interpersonal competence, improve youth's academic performance, and strengthen family relationships.
